

BRICKLAYERS & ALLIED CRAFTWORKERS LOCAL 1

Bricklayers, Tilesetters, Pointer-Cleaner-Caulkers, Marble Masons, Stone Masons, Terrazzo Workers, Tile, Marble, Terrazzo and Brick Finishers

HISTORY/FACTS

Chartered on May 22, 1893, the current jurisdiction of Bricklayers & Allied Craftworkers Local 1 is the entire state of Oregon and five and one-half counties in Southwest Washington, up to and including Longview-Kelso. There are currently 725 members BAC Local 1.

RECENT CHARITABLE PROJECTS

Bricklayers and Allied Craftworkers Local 1 repaired brick at the West Linn Fire Station, supplied brick and tile work at St. Francis Community Center in Portland, built dugouts for numerous schools and Little Leagues and constructed block shower rooms at Camp Attitude, a camp for wheelchair-bound youth near Lebanon. They built the brick gazebo around a Fire Bell in David Campbell Memorial Park near Civic Stadium as a tribute to Portland Fire Fighters killed in the line of duty.

DESCRIPTION

- *Bricklayers, also called Brickmasons*, lay building materials such as brick, cinder block, glass block and terra cotta to construct or repair walls, partitions, arches and other structures.
- *Tilesetters* apply tile to walls, floors, ceilings following design specifications. They also install brick pavers.
- *Pointer-Cleaner-Caulkers* caulk and waterproof new buildings and restore existing buildings with weather proofing methods such as tuck pointing, washing and re-sealing and replacing old caulking.
- *Marble Masons* attach marble, granite and limestone to buildings with mechanical strut systems. They also lay marble and other stone flooring and walks.
- *Stone Masons* build stone structures, such as piers, walls and abutments. They also lay walks, curbstones, and stone floors.
- *Terrazzo Workers* level and grind a mixture of cement and marble chips to make beautiful, long lasting floors, walks and steps.
- *Tile, Marble, Terrazzo and Brick Finishers* supply the support staff for Tilesetters, Marble Setters, Terrazzo Workers and Bricklayers.

APPRENTICESHIP PROCESS

For Bricklayers, Tilesetters, Pointer-Cleaner-Caulkers, Marble Masons, Stone Masons and Terrazzo Workers, each apprentice must be 18-years-old and have a high school diploma or equivalent. Each apprentice is required to complete 6,000 hours of on-the-job training. In addition, 144 hours per year of related training classes is also required. Related training includes safety, First Aid, CPR and blue print reading.

Tile, Marble, Terrazzo and Brick Finishers are required to be 18-years-old and have a high school diploma or equivalent; 2,000 hours of on-the-job training and 144 hours of related classroom training.

JOURNEYMAN PROCESS

Various classes are offered, ranging from new technology to First Aid, CPR and safety.
