

R O O F E R S

WATERPROOFERS

HISTORY/FACTS

Chartered on July 7, 1913, the Roofers Local 49 currently has 434 members. Its jurisdiction includes Oregon's Clackamas, Clatsop, Columbia, Gilliam, Hood River, Multnomah, Sherman, Tillamook, Wasco, Washington, Wheeler, Grant, Baker and Jefferson counties and Washington State's Clark and Skamania counties.

RECENT CHARITABLE PROJECTS

Regular contributor to Christmas in April and Habitat for Humanity. Installed new roofs on the Port City Building, a non-profit that helps severely handicapped individuals find employment and the South Albany High School's new weight/multipurpose room.

DESCRIPTION

Roofers cover roofs of structures with slate, asphalt, aluminum, wood and related materials using brushes, knives, punches, hammers and other tools. They also spray roofs, sidings and walls with materials to bind, seal, insulate or soundproof sections of structures.

APPRENTICESHIP PROCESS

288 class hours and 4,000 on-the-job hours.

JOURNEYMAN PROCESS

One year to obtain First Aid and CPR cards.
